

B-Blue

Blue growth Investment conference

From 9:30

October 19 and 20, 2021

Amadria Park Hotel Ivan****+, Hoteli Solaris 86, Šibenik

The Investment Conference intends to bring together representatives of the European Commission, academia, SMEs and other interested organizations in one place to present in all investment opportunities for the blue economy sector in the next financial period. New commitments for all member states regarding the green and digital agenda can only be an additional opportunity for the blue economy sector, so this conference will offer an answer to all open questions related to the possibilities of financing projects in the blue economy sector.
